Download, complete and return to help update the tree!

Note: All information is voluntary. Submissions of updated information are requested to update the White-Campbell family tree & database for sole benefit of descendants of Daniel White and Catharine Campbell.

Consider completing one form for each marriage being reported. If your kids are married, just list their names here, and fill out a form with their name in the "You" field. Or ask them to do it! They're adults, after all, so why should you do everything for them? You've raised them; it's time for them to stand on their own two feet. I mean, you gotta let go sometime. So what if they didn't learn cursive?

Completed by _____
